Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Tell its past 3/22. Is this still  
pending?

I have received tremendous benefit  
from the hormones I've received thru  
Madison pharmacy. I sought this solution  
out for myself because for 10 yrs.  
I have received no "results" in my  
symptoms from my Physicians  
They were doing traditional tests  
that showed no reasons for my  
symptoms so they must not  
really exist.
